The PROBUS Club of Falkirk was established November 1973 by the Falkirk Rotary club and was one of the first to be formed in Scotland. Membership is open to retired Professional and retired Businessmen and offers 'Friendship in Retirement', which is the club's motto.

The club meets every second Tuesday at 10am, when Tea/Coffee and biscuits are provided to be enjoyed along with the friendly conversation of fellow members of the club until 10.30am when the business of the meeting commences. Club business is normally kept to a minimum and members and their guests can then enjoy the subject/topic presented by the guest speaker. Following which there is an opportunity for a question and answer session before the meeting closes at approximately 11.30am – 11.45am.
